## School district wins case in appeal court

The Supreme Court of Alberta's appellate division has set aside a decision by Mr. Justice W. J. C. Kirby which had ordered the St. Albert Protestant Separate School District to pay \$12,176 in fees to Edmonton architect Blake F. Pratt.

It ordered Mr. Pratt to repay a \$2,400 advance he had received from the school district.

The appeal court also set aside a judgement for \$3,000

damages Mr. Justice Kirby had awarded the school board on its counter claim that Mr. Pratt was negligent.

Mr. Pratt, who had designed an addition to Leo Nickerson Elementary School, had claimed before Mr. Justice Kirby that the school board had owed him \$14,981.

The board had not used Mr. Pratt's design because when tenders were opened, the lowest was of \$268,896

20.9 per cent above the cost the architect had estimated for the addition.

Mr. Justice Kirby, awarding Mr. Pratt 80 per cent of six per cent of the lowest tender, said at the civil hearing in October that when an architect is out more than five per cent, his client can require him to revise his drawings or negotiate with the contractor to cut back the cost.

The onus, however, he stressed, was on the client to bring this about. He said the St. Albert Separate School District had not seen fit to exercise this right.

Mr. Justice Kirby, handling the claims separately, found Mr. Pratt had fulfilled his contract and awarded him damages.

He then awarded \$3,000 to the school district for Mr. Pratt's negligence, saying that the architect had not made proper consultations before drawing up his first estimate.

The district had sought \$100,000 general damages, charging Mr. Pratt with breach of contract as well as negligence.

The school district hired another architect to design the addition and it was built in 1967.

Rostyk Sadownik, representing Mr. Pratt, told the appellate division that there was "an unusual bidding climate" in Edmonton at the time of his client's estimates.

He said that "prices could change overnight" and that Mr. Pratt had gone through normal procedures before presenting his estimates to the school district.

But Mr. Justice M. M. Porter, presiding, pointed to Mr. Justice Kirby's remarks in his judgment that Mr. Pratt, in drawing up his estimates, did not consult other architects, school boards, construction companies and the department of education.

Mr. Justice Porter said Mr. Pratt undertook to do the job and represented himself as being capable of doing it. He said an architect would be expected to deal with "the unusual climate."

William Stevenson, representing the school district, had argued that the architect was negligent in his preparation of the estimates and that the district had derived no benefit from his work.

## St. Albert's financial position is showing gradual improvement

St. Albert's debenture debt at the end of 1968 was \$2,880,849.26 or about \$280 for every person in this town of 10,191 persons.

And although there may be some skeptics, it's a figure that is improving all the time. In 1959 the debenture debt was more than \$1,900,000 but at that time that boiled down to more than \$800 for each resident.

Ten years and nearly 9,000 people more later and the debt has moved into a position where it compares favorably with other towns in Alberta.

The present figures are contained in the 1968 financial statement released recently by the town, which shows St. Albert is actually in the black as far as its operating expenses are concerned.

The town finished the year with an operating surplus of \$2,178.15 when operating expenses of \$1,950,389.60 were deducted from total revenue of \$1,972,567.79.

Over the years the town now shows an operating surplus of \$60,360.39.

The main source of income in 1968 was taxes, which supplied \$1,407,864.95. The town received \$233,612.82 in grants and subsidies, \$98,692.69 from the Homeowners Discount Act and \$92,257.70 from service charges, which includes sewer.

The miscellaneous column showed \$61,750.84, interest and tax penalties - \$27,770.25, fees, concessions and franchises \$20,363.29, fines \$14,457, licenses and permits \$9,013.12 and recreation and community services \$885.13.

The top item on the expenditure list was the \$774,133 doled out for education. Next was the total of \$234,206.41 for debenture debt and temporary debt charges.

Protection to persons and property, such as fire, police, pests, weeds and street lighting, at \$161,203.79, and right behind were general administration expenses, \$156,424.68.

Other major expenditures were: public works, \$81,196.47; sanitation and waste removal, including sewer, \$66,060.27; social welfare, \$41,892.79; recreation and community services, \$119,382.96; contributions to capital and loan fund, \$54,512.48; health, \$1,037.07; provision for reserves, \$34,512.04.

Joint or special expenditures, which include hospitalization on benefit plan and health unit requisition, came to \$103,016.41. And the town had to pay to the ratepayers the \$98,692.69 it received from the provincial government in homeowner grants.

Miscellaneous expenditures came to \$13,582.68. The town lost \$2,477.83 on its waterworks operation as total revenue was \$167,592.77 against total expenditures of \$170,070.60.

## Noon supervision at schools settled

St. Albert Protestant Separate School Board trustees believe they have beaten the problem of noon-hour supervision of students.

They plan to hire school aides.

"The school aides would handle noon-hour supervision of students and handle other duties as would be designated by the principal," board Chairman Charles Schroder said Tuesday night.

"They could do clerical work or help in the library. There is nothing laid down as yet. We will know more of what their duties will be of end of this term."

Mr. Schroder said the hiring of school aides would

come as an addendum to the salary agreement signed in December. The subject of noon-hour supervision has been a contentious issue in negotiations across the province.

Mr. Schroder said the school aides would work four hours a day in Paul Kane High School, Leo Nickerson Elementary School and Sir George Simpson Junior High and Elementary Schools. Six hours a day would be required at Sir Alexander MacKenzie School.

The board is expected to give final approval to the hiring of the school aides at its next meeting. It already has several applications on hand.

## Superintendent Chalmers resigns

Dr. J. W. Chalmers has resigned as superintendent of the St. Albert Protestant Separate School District,

effective the end of June. Dr. Chalmers said he has no firm plans but expects to remain in the education field.

Before joining the separate system in 1967, he was with the Indian Affairs Department of the federal government for three years, holding the position of regional director of vocational education when he left.

The school board has also received resignations from a husband and wife teaching team.

Joseph Garber and his wife, Thelma, have submitted resignations which will become effective at the end of June.

It is expected the system will have about 40 teaching vacancies at the close of the present school term.

DR. J.W. CHALMERS

Mrs. Ken Moore, right, president of the St. Albert Women's Institute, presents a cheque to Mrs. Ben Banks (Laura Lindsay) for the Alberta Heart Fund. Mrs. Banks addressed the meeting, held at the home of Mrs. Marcel Venne, 22 Glenmore Crescent, on behalf of the fund.

## Just rumors

The executive of the Sanctum are deeply concerned over rumors involving the alleged use of drugs at the Sanctum.

At a meeting of the Sanctum directors Monday, March 3, considerable discussion was held and it was confirmed that there is no basis to such rumors.

Unfortunately, about a month ago, the Sanctum was entered by person or persons unknown at which time drugs could conceivably have been in use. As a precautionary measure, and to prevent a recurrence of this nature, the locks have all been changed and during open hours the Sanctum will be strictly supervised by club members with the assistance of the Kinsmen.

We regret this unfavorable rumor and assure the people of St. Albert that the Sanctum will, indeed, be an asset to our town and a centre for wholesome enjoyment of St. Albert Teens. Parents and interested persons are welcome to inspect the premises anytime.

## Students get \$739.16 for Heart Fund

Forty students from St. Albert High School collected \$739.16 for the Greater Edmonton Heart Fund last Friday evening.

The door-to-door blitz of St. Albert residences netted approximately \$100 more than the total in 1968.

If some homes were missed in the canvass they are asked to forward their donations to the Alberta Heart Foundation, Room 502, Imperial Bank Building, Edmonton.

Heart Fund co-ordinator for St. Albert, public school trustee Don LaBelle, is indebted to the students of St. Albert High School for the donation of their time to conduct the canvass.

## Lions Club Bulletin

St. Albert Lions Club will travel to Yellowknife by Charter flight to take in the local Mardi Gras Carnival with the Yellowknife club on March 29 and 30.

An underground tour of the gold mine will be an added feature to the trip.

Ninety-four people can make the trip and arrangements are being handled by Gordon Townsend and John Kaminski on a first-come first-serve basis.

## Trustees to attend seminar

School trustees from the two St. Albert systems will attend the Alberta School Trustees Association's administrative seminar at the

Edmonton Inn on March 6, 7 and 8.

Chairman Dave Fraser and Don LaBelle will represent the public school board

and Chairman Charles Schroder, Jim Willshear, Bill Penrose and Dr. W. D. Cuts the Protestant Separate Board.

p.m. Thursday, March 6, Principal John Hryniew said Monday that the school held a "Meet the Teacher Night" in the fall but that another one was thought necessary because of the introduction of the semester system that was introduced.

"We're into the second semester now," he said, "and it means that students have a whole new set of teachers. We feel the parents should have an opportunity to meet them, too."

He said the evening would be very informal and teachers would not have time to discuss problems regarding individual students. He said, however, that parents would be able to set up appointments for a future date. Refreshments will be served.

The St. Albert Kinsmen Club initiated seven members into its ranks at its last general meeting. From left to right are Elroy Haight, Ernie Onyskiw, Barry Welsh, National Past President Art Jones, John Utendale, Laurent Terrault, Bill Bishop and Bill Davies. Mr. Jones was guest speaker at the meeting. President Bill Hite conducted the initiation ceremony with Past President Don Sinclair presenting the new members with their kits and plaques.

#### FIGURE SKATING

The Canadian national figure skating tests will be held in the Edmonton Gardens on March 8. The preliminary tests will be at 10:30 a.m. with Judge No. 4 and entrants from St. Albert should sit in Section G. The Bronze Medal Test will be held at 11 a.m. with Judge No. 11 and entrants should sit in Section R. Entrants in the Silver Medal Test should also sit in Section R. They will be examined by Judge 8 at 10:45 a.m. Girls who have not already paid their examination fees should take their fees to the Gardens on Saturday. Anyone not having a ride should phone Mrs. Chyzowski at 599-7848.

The date and times of the tests for power skating and the Learn-to-Skate classes will be announced later.

There will be no end-of-season ice carnival this year. The cold weather in January, interfered so much with the figure skating classes that

there has been no time for the practices and the preparation necessary for a carnival. The willingness of mothers to serve on committees is much appreciated even though their services will not now be required.

ARTS & CRAFTS GUILD The new high fire electric kiln for which the guild has been waiting so eagerly has now been installed in the arts centre. This kiln is being purchased on a provincial government equipment loan contract through the arts and crafts division of the cultural development branch and will be of great advantage to the ceramics classes held in the centre.

MEN'S SOCCER The St. Albert Legion Men's Soccer Club played Park Rangers "A" last Sunday in the Kinsmen Field House, losing 4 - 2. Vic Ledsham and Keith Davies scored for St. Albert.

## Education Week

Education week has resulted in a flurry of activity in Father Jan School. Students are preparing for special displays and art

## NOTICE OF ANNUAL MEETING

Public notice is hereby given that a meeting of the electors of the Town of St. Albert will be held in the Community Hall on Monday, the 24th day of March, 1969 at 8:00 o'clock p.m. for the purpose of receiving a report from the Mayor, Secretary-Treasurer and Chairmen of the various committees of council for the year ended December 31, 1968.

Dated at St. Albert this 5th day of March, 1969.

D. B. O'Connell  
Secretary-Treasurer.

## Report from Legislature

Keith Everitt, M.L.A.

On Feb. 25 I received a copy of a letter mailed to the provincial treasurer from the Town of St. Albert, signed by Mayor R. M. Gibbon, regarding utility income tax rebate. Through this column I will endeavor to outline the issue as I see it.

Prior to the year 1966 the utility companies were charged income tax pursuant to an act of the Parliament of Canada. Our provincial government continually made representation to the federal government to rebate this amount collected from the utility companies, as it appeared to be most unfair.

It was outlined that public owned utilities were exempt, therefore privately owned utility companies such as Northwestern Utilities Ltd. and Calgary Power should not be discriminated against by this income tax.

In 1966 the federal government amended its act, which paved the way for a rebate on a yearly basis. In the same year the Alberta Legislature introduced an act to provide for the disposition of certain monies to gas and electric utility companies for the benefit of their customers.

Let me quote Section 3 of the act. Subject to the regulations, the provincial treasurer may make payments

to utility companies, for the benefit of the persons who are from time to time its customers in Alberta, of the whole or part of:

- Monies received by the province by way of federal tax rebates;
- Monies received by the province as provincial income taxes.

Section 4 of the Act is also very important. The lieutenant-governor in council may make regulations:

- Designating the corporations that are utility companies for the purpose of the act;
- Prescribing the terms and conditions upon which payments may be made under Section 3 to utility companies;
- Prescribing any method or formula for the equitable distribution of monies paid under Section 3;
- Providing for any matter or procedure to ensure that the customers of the utility companies received the benefit of the payments made under Section 3;
- Defining any expression for the purpose of this act;
- Providing for any other matter necessary to carry out the purpose of this act.

I submit the act passed in 1966 is very clear. The above mentioned rebate is to go to the consumers of the utilities and I believe it is our obligation and responsibility to see that they get it. It now appears there will be a discount by May or June of approximately one-tenth of the utility bills.

Mayor Gibbon requests the provincial government rebate the tax directly to council, to be set up in reserve for the specific purpose of constructing a covered arena. While I agree with his comments concerning the covered arena, its value and desirability for recreational purposes, it would appear fundamentally wrong for the provincial treasurer to hand this revenue over to council for any purpose.

Yes, I've made up my mind on this issue and have spoken to Provincial Treasurer Anders Aslberg concerning it. Although I've said my mind is made up, I also say "Show me a man who will never change his mind and I'll show you either a dead man or a fool."

The question of Sunday Movies will no doubt come before the session in the form of a private members resolution. I personally do not favor a highly commercialized Sunday, however, I suppose it could be debated that Sunday movies are not necessarily a step in that direction. I wish to advise the constituents of this riding I will vote the way they direct me if such a resolution should be presented.

# Don Wilson registers Golden Gloves victory

Don Wilson of St. Albert won the 112-pound novice division in the Alberta Golden Gloves boxing championships at the Sales Pavilion last weekend.

Wilson scored a technical knockout over John Ross of Yellowknife early in the second round Friday night.

Wilson and Ross were the only two entries in the division.

Paul Jelley of St. Albert fought in the 125-pound open class and was the victim of a second-round TKO at the hands of Dean Kromarek of Great Falls, Mont., Friday night. Kromarek went on to be named Golden Boy as the top fighter in the championships.

Both fighters were in their

second match of the evening, Jelley scoring a unanimous decision over Curly Paul of Jasper Place.

Jelley weathered the first round against Kromarek and appeared to be more than holding his own when about half way through the second round Kromarek scored.

Jelley was up at the count of eight but about 30 seconds

later Kromarek landed a hard blow to the stomach and Jelley fell again. The referee stopped the fight. "It was a tremendous punch," Brian Jelley, St. Albert Boxing Club instructor and Paul's father, said later. "It took the wind right out of Paul."

He said Paul wasn't in

Kromarek's class although he gave him a good scrap. Kromarek has 84 fights to his credit; Jelley has about 30.

It was a father and son

team on both sides of the ring as Brian handled Paul and Kromarek's father was in his corner. Both parents have lengthy careers in the ring behind them.

## Chiefs stay alive in playoff

Barrhead Chiefs stayed alive in the Sturgeon River Senior Hockey League playoff picture Tuesday night by routing St. Albert Comets 9-2 in the Morinville Arena.

It was Barrhead's first victory in the best of 5 semi-final series.

Comets had taken a 2-0 lead in the series in games last week, winning 9-4 in Morinville Arena on Tuesday night and 6-3 in Barrhead on Friday night.

"The boys were mad," team manager Jake Vaught said of Tuesday's game. "They didn't think Fred Hesse should have got a suspension so they just took it out on Barrhead."

Hesse, the club's top goal-getter, had been suspended for the opening game by league President George St. Arnaud of Edmonton because of a game misconduct he had received in the last game of the regular schedule.

Comets, beset by injuries, played the opening game with

only two forward lines and three defencemen.

But fired up, they surged into a 6-3 lead in the opening period and held it through the second. They outscored the Chiefs 3-1 in the third. Joe Cassidy, Jim Reid and Ray Lamer each scored two goals for Comets and Dave Joyal, Vic Roberge and Dennis L'Hirondelle each got one.

Bill Hanson, with three, and Tiemstra scored for Barrhead.

Comets took a 4-1 first-period lead Friday and built it to 6-2 after the second. Barrhead scored the only goal of the third.

## Zone basketball champs declared

Weekend basketball tournaments at St. Albert and Redwater resulted in the North Central Zone basketball champions being declared. The four champions are now making preparations for the provincial finals.

An upset was in the making in 'B' competition at St. Albert as the Westlock girls ousted last year's provincial champion Fort Saskatchewan squad 32-29. The one-two punch of MacMillan and Lewko helped keep Westlock in a narrow lead most of the way as they each counted 10 points. Moro scored 12 points in a losing cause.

In the preliminary matches Paul Kane girls pushed the Fort to the limit before bowing out 28-20. Westlock outplayed Onoway 44-25.

Westlock coach Clarence Truckey and his team are now busily planning for the provincial finals which are to be played in Medicine Hat on March 7 and 8.

Hesse and Roberge took care of all the St. Albert scoring, each getting three goals. Visser, with two, and Clochetti score for Barrhead.

## Intermediate playoff set

Morinville will play host to Capital City Packers from Edmonton in intermediate D playoff action in the Morinville Arena this weekend. The two clubs will meet at 9 p.m. Friday and 2:30 p.m. Sunday.

Morinville sidelined Grouard last weekend.

Paul Kane boys lost out in boys' play by a single point to Salisbury.

Salisbury dropped Drayton Valley 41-19 and Paul Kane completed setting the stage for the dramatic final by getting a 50-40 win over Edson.

Salisbury took an early lead in the final and maintained it throughout with quarter scores of 11-9, 23-16, 29-25 and 37-36.

As Paul Kane made their big move in the final minutes they outscored Salisbury 11-8 and even as the final buzzer sounded a foul was being assessed Salisbury.

The free shot missed its mark and last year's zone champions had to settle as second best.

Top scorers for Paul Kane were Zylstra (15) and Ahnson (10). For Salisbury it was Jamison (10), Forester (15) and Raven with 11. Grande Prairie will host the provincial 'B' boys' finals this year on March 14 and 15.

The 'C' girls championship was won by Redwater in a resounding 41-10 victory over St. Mary's from Westlock. In preliminary matches Redwater downed Bon Accord 32-20 and St. Mary's edged last year's champion Rochester Rockets 48-46.

Redwater moves to Sylvan Lake next weekend for the provincial finals.

St. Mary's girls dropped George Vanier School of Morinville 56-44 to gain their spot in the final against Whitecourt, who eased past Rochester 50 to 24. In the final Whitecourt maintained the upper hand to win 39-35.

The 'C' boys' final will be played in Provost on March 14 and 15.

## Cyclists plan heavy schedule

The Northern Wheelers Cycling Club is planning to hold about 10 events this summer, most of them centred on St. Albert, club President Peter McCaffery said Monday.

He said the first scheduled event would be April 13, weather permitting. He said unofficial events would be held even earlier if the high-way clears. Some cyclists are already practising for the coming season.

Mr. McCaffery said a recruiting meeting was held recently and it appeared now as if the club would have from eight to 12 senior members and about 12 junior members this summer.

The club has challenged Velo-Sport of Edmonton to a seven-a-side soccer match to be played in the Kinsmen Field House in Edmonton.

## Fire Dept. wins over All-Stars

Fire Department scored a 4-2 victory over an all-star team comprised of players from four of the other teams in the local league last Friday night.

Fire Department trailed 2-0 going into the last 10 minutes of the game when Linemates Terry Klesner and Sandy Millroy combined for four fast goals, Klesner getting three goals and an assist and Millroy one goal and two assists.

Ten days previous the two teams had played to a 1-1 tie, all-stars knotting the count with only 40 seconds to play.

# MAZDA

the beautiful buy from Japan

SEDAN \$2427

STATIONWAGON \$2698

STYLED BY BERTONE, We'll let the artistry of this famous Italian styled automobile speak for itself. But we'd like to say a few words about the car we've taken in detailing the Mazda's lines. The panel is worthy of a car costing twice as much.

So's the paint. Deep, Smooth.

Mazda is pretty.

Inside, Mazda is pretty and practical. For example: Mazda's curved glass side windows are a tasteful styling feature, but they also add inches to interior space. The sloping hood and large glass areas make for great visibility And great looks. Beneath the attractive rear deck, you'll find room for four or five big suitcases. Sit in a Mazda, and you'll sit behind round, readable instruments. Lots of them. And the instruments sit in a woodgrain dash. Just like an expensive European GT. SEATS THAT RECLINE. Standard equipment, we remind you. The interior is carefully tailored in tough, attractive vinyl. There's room for four passengers and one smiling Mazda driver.

PROPOSED SALE OF RESIDENTIAL LAND  
INVITATION TO TENDER

The Town of St. Albert hereby invites tenders for the purchase of Lot 40, Block 11, Plan 1105 MC, St. Albert, (Grandin Road and Gordon Crescent.)

The land is to be used solely for residential purposes.

Utility services will be installed in the spring of 1969 excepting the boundary road between Gordon Crescent and Edmonton Road.

For the information of tenderers, the Town will not consider any tender for an amount less than \$66.41 per lineal foot for servicing and land and \$198.00 per unit for offsite costs and utility services to be installed on a prepaid basis.

Sealed tenders marked "offer to purchase property" will be received by the undersigned at the Town Hall, St. Albert, up to but not later than 4:00 p.m. on March 21, 1969; and tenders will be opened in the Council Chambers of the Town Hall at 4:15 p.m. on March 21, 1969.

The highest or any tender will not necessarily be accepted.

D. R. O'CONNELL  
Secretary-Treasurer.

Motor vehicle license plates for 1969 went on sale in St. Albert at 9 a.m. Monday at Bermont Insurance Agencies, 20 Perron St. First to purchase new plates was Viggo Christensen, 22 St. Vital Avenue. ## Mission Park loses twice

Mission Park Junior High School dropped a pair of games to Namas last week, the girls' team losing 29-22 and the boys' team 19-15. Carol Bokenfor was the top scorer for the Mission girls, dropping in eight points.

Bruce Van Brabant scored six points to lead the boys' attack.

Earlier in the week Mission Park girls played St. Albert High School's junior team and won 29-27.

Mission Park had only two players left in the game when the final bell sounded, as the others had fouled out.

St. Albert High, however, couldn't get the equalizing points, even when getting a double foul chance in the last second of play.

Diane Majeau, with nine points, and Carol Bokenfor, with eight, led Mission Park's scoring.

## Minor hockey

Black Hawks and Stedelbauer will meet in the St. Albert bantam hockey final Thursday night.

Stedelbauer reached the final by defeating Safeway 6-2 Tuesday night and Black Hawks defeated Co-op 6-3.

In the pee-wee league, Red Wings and Lions will meet in the final. Red Wings sided-lined Dick's Plumbing 7-2 and Lions edged Fire Department 1-0.

In Mite A action, Flyers and Dicks will play off for the championship. Flyers defeated Nuggets 3-1 Tuesday and Dicks defeated KCs 3-0.

In Shavers play Canucks, who defeated Colts 2-1, and Wolves, who defeated Tigers 4-2, will meet for the championship.

All finals will be played Thursday.

## Cubs travel by power toboggan

Blue skies and fresh snow - the finest possible ingredients for a power toboggan trip.

This is what was ordered and received by the 3rd St. Albert Cree Cub Pack last Saturday afternoon.

Led by Lloyd Sawka, seven members of the Edmonton Snowmobile Club transported 29 cubs and leaders to a rally and wiener roast east of St. Albert.

The cubs and leaders wish to thank Mr. Sawka and other drivers who made their time and machines available for this trip.

## Accident award raised by court

Dr. J. W. Chalmers of St. Albert, awarded damages of \$40,000 following an auto accident, had the total increased by \$11,000 last week.

The appellate division of the Supreme Court of Alberta, dismissing the appeal of Damus Edmund Miller, the defendant in the original action, changed the award to Dr. Chalmers to \$40,000 general damages and \$11,000 special damages.

In a Supreme Court action in September Mr. Justice Hugh Farthing had found in favor of Dr. Chalmers but had included the award of \$11,000 special damages in the total award.

The court action occurred following an auto accident on the Wabasca Trail,

between Slave Lake and Desmarais, in 1965.

The appeal court also confirmed a \$4,000 special damages award to Richard J. Grovum, driver of the vehicle in which Dr. Chalmers was a passenger.

Dr. Chalmers, at present superintendent of the St. Albert Protestant Separate School District, was assistant regional superintendent for Indian affairs at the time of the accident. Mr. Grovum was also a federal government official.

Mr. Grovum's vehicle was involved in a collision with another vehicle which was not involved in the court action.

This coming Saturday there will be three dart boards in use, because of the interest shown. A friendly game of cards and dancing is also available. A hamburger lunch will be served.

On March 15 we will be celebrating St. Patrick's Day so "step into the parlor there's a welcome there for you" at your local branch 271.
